Subject: List of Dimock residents who gave their permission to give their HW code to PADEP

Humane,

Attached is the pdf of the document I prepared to transmit the list of Dimock residents who gave their permission to give their HW code to PADEP. I would appreciate your review for accuracy before I send it to Steve Brokenshire, as directed. HW 60's mailbox for the voice mail for Ex. 6 - Personal Privacy is still full. I just confirmed that a few minutes ago. I have added HW 14 to the list of resident codes you confirmed with Tate Kunkle to develop this list. I have included the name, address and phone number.

Please review and confirm this document's accuracy and provide any comments.

Thanks.

Rich
